WHAT'S YOUR SDCBA STORY?

What do you like most about being an SDCBA member?

Hello [[firstname]],

Late last year, we asked our volunteer leaders to share their SDCBA stories with us. Many members responded with inspiring accounts of how participating in this legal community has helped them professionally and personally. Thanks to those of you who've already submitted, we have a whole page of member stories to share with the community, which you can [view here](#).

If you haven't already submitted, we would love to highlight your story, too. Could you please share, in just 50 – 200 words, your favorite benefit(s) or experience(s) of being an SDCBA member? **Why has SDCBA membership been valuable to you?**

Simply fill out this 2-minute form to let us know, and select “Yes” in the form to allow us to feature you in SDCBA communications to the community.

Sharing your story will not only help us grow the number of potential colleagues in your SDCBA network, but also provide free additional exposure for you and your practice.

Thank you for your participation!
